

Get the Help You Need to **THRIVE IN REAL ESTATE**

Business Coach

- Knows your vision and priorities.
- Holds you accountable.
- Focuses on critical thinking, decision making and developing your potential.

Consultant

- A more specialized hands-on approach.
- Generally hired to solve a specific business challenge.
- Provides specific solutions for your business.

Mentor

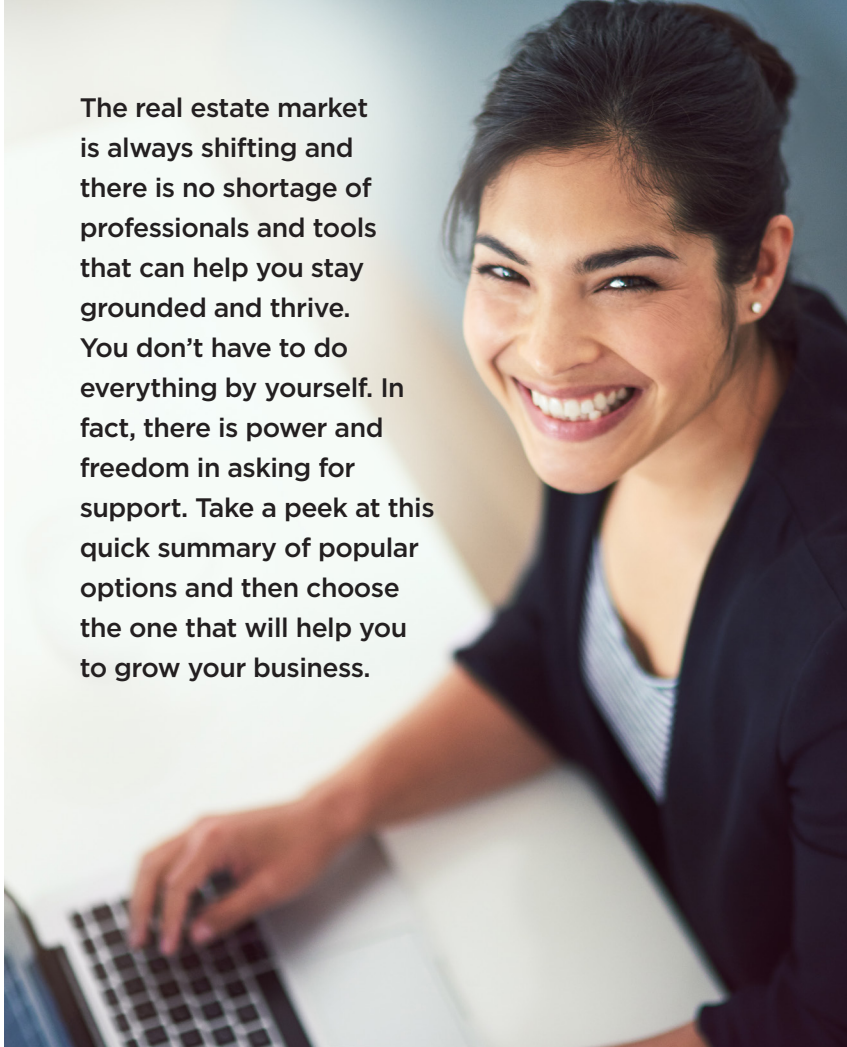

- Shares information about their own experiences.
- Provides guidance and support.
- Acts as “sounding board”.

Peer

- May be a professional who is currently in the same field as you.
- May be a social contact from another sphere of your life.
- Offers casual advice, encouragement and support.

Training Course

- Self-paced or expert-led course that covers a specific skill or topic.
- Learning-focused so that you gain knowledge.
- Clear objectives and assignments so you move through the course.

The real estate market is always shifting and there is no shortage of professionals and tools that can help you stay grounded and thrive. You don't have to do everything by yourself. In fact, there is power and freedom in asking for support. Take a peek at this quick summary of popular options and then choose the one that will help you to grow your business.

Check off the statements that will help you to thrive!

- Setting clear goals and creating a plan to achieve them.
- Support to draw out my potential.
- Being held accountable.
- Motivation to push through roadblocks.
- A personalized plan and not just a “cookie-cutter one-size fits all” program.
- Strategies to help me find time for the other parts of my life: spiritual, family, personal and financial.

If you answered yes to any of the above, it may be time to get a coach. Schedule a free business consultation with a Buffini & Company expert and learn how business coaching can help to grow your business and improve your life.
